Kenneth McGill
Maintenance Manager

Mr. Kenneth McGill joined Community Properties of Ohio in October 2002 and was promoted to Maintenance Manager in January 2020. Mr. McGill has worked in various capacities within the Maintenance Department including Maintenance Technician, Field Supervisor and Reconditioning Supervisor Team Lead. He leads a team of skilled technicians and is responsible for organizing and prioritizing maintenance operations across CPO’s housing portfolios. Mr. McGill has been in the multifamily industry for over 37 years. Prior to CPO, Mr. McGill spent 20 years with National Church Residences.
